#### **OUR MISSION**

Maroondah Volleyball aim to provide the community the opportunity to expand their skills of and love for the sport of Volleyball.

#### **OUR VISION**

At Maroondah Volleyball it is our vision and committed to see the growth and development of our members and provide a positive experience for all by providing a safe and inclusive environment where our members can grow and grow the sport of volleyball. At Maroondah Volleyball we strive to deliver a pathway of opportunities for our members from the grass roots though to elite levels.

#### **OUR VALUES**

**Teamwork**: We focus daily on working together in an affirming and collaborative way to develop and achieve our organisation's mission.

**Community**: We will create a fun, safe and inclusive environment for all based on the love of the sport of volleyball and a desire to help all members of our organisation develop to their potential.

**Dedication**: We are dedicated to providing sound leadership to the Volleyball community. As an organisation we continually look for ways to develop and improve, and to provide opportunities for our members' growth and development in the sport of Volleyball.

**Respect**: We consistently show respect for all who engage with our organisation by valuing, acknowledging and appreciating each person's contribution, whether they be a player, referee, administrator, coach or volunteer.

**Fun**: We will prioritise the fun and enjoyment that each participant will experience through involvement in any of our organisation's programs.

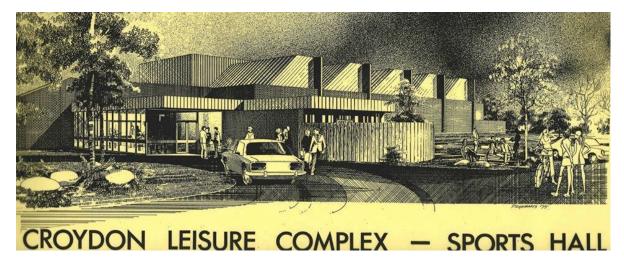

#### CHILD SAFE STATEMENT

Maroondah Volleyball is committed to safety and wellbeing of all children and young people. This is the primary focus when planning and executing programs.

Maroondah Volleyball has zero tolerance for child abuse.

#### **OUR HISTORY**

Volleyball in Croydon was formed as a school competition at the newly opened Croydon Leisure Centre by two teachers from Croydon High School who became the founders of the Croydon and Districts Volleyball Association. These teachers, B.T. (Doc) Sartory and Errol McDonald, organised and nurtured the volleyball competition though its formative years. Doc Sartory became the Association's first president when the association was formally organised, and he remained president until 1989. The office bearers of the association on its formation were Doc Sartory (President), Errol McDonald (Vice-President), Alan Day (Secretary) and Michael May (Treasurer).

The association initially played on a Tuesday evening and later expanded to two nights, initially Tuesday and Sunday before settling for the current Tuesday and Thursday evenings. Volleyball at Croydon has always been regarded as a mixed competition. At its peak, in the 1980's, the association could boast a competition of 110 teams (with some teams in reserve), with 55 playing each night. At that time, there were over 1200 members of the association and was the second largest volleyball body in Victoria and Australia.

The Association became an incorporate body in 1986.

In 1990 CDVA hosted an international game between NEC (Japan) and Australia at Croydon Leisure Centre. CDVA affiliated with the state body Volleyball Victoria Incorporated (VVI) in 1992 and hosted the National Indoor Grand Prix and the National Cup as well as the State under 15's Tournaments. Over many years CDVA ran its own tournament which involved other teams from all over the state. Before deregistering from the state body in 1994.

In 1998 the Association bottled its own label port to celebrate its twenty-first anniversary.

In 1999, CDVA returned to its foundations by offering the Maroondah Volleyball Schools Cup between location schools in the area. Participating schools included Billanook, Glen Waverley, Norwood, and Croydon. In 2000 the Junior Competition had over 25 teams, playing on Thursday evenings at the Croydon Leisure Centre. It was hoped that there would be enough interest to begin a Junior Girls Competition within a couple of years, unfortunately it took longer than anticipated and the competition never ran. Also in 1999, CDVA opened an

office at Suite 3, 168 Main Street, and Croydon to administer the competitions from.

CDVA has had teams participate in five Australian Masters Games, in Melbourne (1995), Canberra (1997) and Adelaide (1999), Geelong (2013) and Adelaide (2015) in addition to various competitions and tournaments over the years.

Objectives of the Association were stated in the Constitution and remain today in the model rules for the association. These are:

- 1. To promote interest in volleyball;
- 2. To promote good fellowship among those interested in volleyball;
- 3. To educate, train, coach and encourage members of the Association; and
- 4. To do all such things and acts conducive to the furtherance of the objectives and interests of the Association

The Croydon & Districts Volleyball Association Inc. continues to show a keen interest in providing and promoting volleyball in the cities of Maroondah and Knox. Players have come from as far afield as Frankston and Dandenong, Pascoe Vale, Healesville, Bulleen, Carlton, Eltham, Kinglake and Hawthorn.

The CDVA has always stood out from other competitions in that teams are not required to perform duty obligations for other matches in the competition. We provide our own referees to officiate in all competition matches. The teams are therefore able to come and play their volleyball and then go home.

The Association moved its base to Yarra Valley Grammar School in 2000 when the school had completed its new sports

stadium and for the year volleyball was played at Yarra Valley and on two courts at Luther College. After reviewing the growth of a junior competition and projecting on the future needs of the association, discussions were held with the Maroondah City Council to move back to the stadium with its new floor at the Croydon Leisure Centre. The Association decided to base its volleyball over two stadiums: Croydon Leisure Centre and Yarra Valley stadium.

After many years of review, in 2009 CDVA opted to become an affiliated member of Volleyball Victoria again. This was done so that the members could benefit with the support of the state sporting body.

Sadly, junior volleyball became extinct with juniors opting to play for clubs and schools. In recent years Volleyball Victoria has seen the need for the promotion of junior volleyball and its place in the state league competition. It continues to work with Associations such as CDVA to rebuild opportunities for juniors in Volleyball through programs such as Spikezone and Sporting Schools.

In 2014 Croydon entered its first team for many years, into the Volleyball Victoria State League. This division 2 men's team played under the club name of the Croydon 36's (after the postcode for Croydon being 3136). The following year in 2015, the Croydon 36's entered a Women's Division 3 team. In 2016 the Women's Division 3 team continued and we added a Men's Division 3 Team, and an under 17's girls team in the new Junior State League. In 2017, many of the junior girls had reached an aged where they couldn't play in the under 17s division. So, Croydon 36's Division 3 Women's team moved up to Division 2, and the junior girls entered Division 3. The Men's team continued in Division 3.

In late 2015, the association started the Spikezone program. Initially with just 4 children attending in the pilot year, this has grown in 2017 to 5 groups and almost 50 children running every school term. The association has gained 3 new social competition teams as a direct result of the Spikezone program.

In late 2016, the local federal member Michael Sukkar announced funding for the redevelopment of the HE Parker Netball centre to become and indoor facility with 4 Netball courts. The Victorian State government also committee to funding the centre and the requirements were the centre become a multi-sport facility. CDVA was invited through Michael to become involved with the development of the new stadium. Throughout 2017 the development designs proceeded through to a design & construction tender phase which was awarded in early 2018. It is expected the stadium will be complete in 2019.

In October 2017, CDVA hosted a very successful 40<sup>th</sup> anniversary dinner. The night recalled the past, brought together past and present members and gave out awards to many of the current members.

At the 2017 AGM in reflection of our growing programs, and future relocation to Heathmont the members voted to support the re-banding from CDVA to Maroondah Volleyball. This rebranding proceeded through 2018, ahead of the move to HE Parker in 2019.

In 2018 Volleyball Victoria had their Inaugural Affiliate Awards. Maroondah Volleyball received an honourable mention for the Most Outstanding Association and won the award for the Most Outstanding Junior Program. The president Chris Gordon won the Volunteer Achievement Award.

In April 2019, Maroondah Volleyball held their formal farewell to Aquahub, acknowledging 42 years of Volleyball Competitions at the venue. In May 2019, Maroondah Volleyball relocated all its programs and commenced operations from their new office at Maroondah Nets, HE Parker Reserve in Heathmont.

In the conclusion of 2019 Volleyball Victoria State League, Maroondah Volleyball merged their State League Team Croydon 36's with Southern Cross Cobras. This merger allowed us the opportunity to bring together the strongest senior players and coaches from Southern Cross Cobras, with the strong junior players and coaches from Croydon 36's along with the administration and well-respected operations of Maroondah Volleyball. Although they didn't get to take court in the Volleyball Victoria 2020 season, we had a great start to the training season and look forward to embracing 2021.

#### PRESIDENT'S REPORT

Chris Gordon - President

Following our big year in moving venues, 2019/20 was to be the year we settled into our new venue and expanded our programs.

We rang our 4<sup>th</sup> annual Maroondah Volleyball tournament in September 2019, with record team entries and games played across the weekend. It also included for the first time a Spikezone Tournament for the kids on the Friday night.

Towards the end of the year we undertook the exciting discussions with the Southern Cross Cobras Volleyball Club, and ended up merging our Croydon 36's with the Southern Cross Cobras to become the Maroondah Cobras Volleyball Club.

We undertook successful trials, and also a partnership with Rowville Secondary College to have 13 teams entered into State League in 2020. Unfortunately the season did not happen due to Covid.

In September/October 2019 we attended the Australian Junior Volleyball Cup (AJVC) in Canberra. We had a couple of our players selected and playing in state teams, notably Rebekah Pocock in the U15 Junior Girls, making it through to a victory in the Gold Medal match on the 5<sup>th</sup> October. We also had David Fuller and myself attend as Referees for the tournament.

Unable to yet start our own Juniors Training programs as the bridge between Spikezone and State League, we partnered w ith GMVA for them to delivery an academy program on a Tuesday Afternoon in 2020. Again due to Covid this program didn't really happen other than a few weeks at the start of the year.

All our other programs of Spikezone, Sporting Schools and the Local League continued from strength to strength, many of their achievements are highlighted later in this report.

We continued to get out in the community through the Maroondah Festival, and held a very successful stand in the Sports & Rec area, again taking centre show.

Sadly the events of Covid-19 put a halt to all our programs in mid March 2020.

Maroondah Volleyball continues to work through it strategic goals to be able to provide volleyball programs from the youngest children through to state representation. We hope to bring on new programs once the Covid restrictions allow us.

Finally, without the dedication and passion of our volunteers, our association would not be as strong and diverse in the programs we offer as it is. I thank each and every one of our volunteers for giving up some of their time each week to support the association.

#### SECRETARY'S REPORT

Catherine Gordon - Secretary

Firstly, I would like to thank my fellow committee members and the volunteers for their help and support over this past year. Everything we have achieved over this past year with settling into our new home at Maroondah Nets and the continued development of our Spikezone programs, policy writing and the like wouldn't have been possible without all your help.

We welcomed new coaches to our program and hope that with the continued growth we will be able to welcome more in the near future.

We ran our Spikezone Tournament in term 3, which was a big hit with all the kids and looks to be a permeant fixtured event on our Maroondah Calendar.

The Spikezone tournament ran on the Friday night as part of our Maroondah Tournament. hosted all but 1 of metro Spikezone providers. The kids took part in a round robin style game which was refereed by our volunteers. The evening consisted of fun interactive games for the warm up to allow the kids to associate with the others clubs before taking the court. At the conclusion of the competition they all went upstairs where they were given a Hot Dog and IcyPole

along with being presented with their participation medals.

We have continued to provide our volunteers with education around Child Safe Standards, through offering of courses and seminars specifically focused on Child Safety, Mandatory Reporting and Positive Coaching, as well as ensuring our volunteers have their WWCC.

I am looking forward working with Volleyball Victoria and Vic Sport on their Child Safe Review focus group.

On 8th March 2020 was International Women's Day. The theme for that year was Generation Equality.

It has been a privilege in my 11 years on committee to see Maroondah Volleyball become more diverse in its offerings. With a near equal split of Male and Female coaches across our programs and at a committee level.

The women's league continues to flourish, attracting new players and new teams. We will need to look at a new time slots to cater for the growth in this area in the near future.

Although COVID-19 saw a sudden halt to all our programs we still managed to achieve a considerable amount.

## MAROONDAH VOLLEYBALL LEAGUE

Chris Gordon - President

Our Local League competitions on Tuesday and Thursday nights for open and women's remains

our primary activity of the association. Our summer season runs from September to April, and the winter season from April to September. We have had an increase of teams and members, with around 420 members playing and 50 teams across both nights. The Tuesday nights continues to run at capacity, and we are looking to expand to four timeslots. There is still a little room on Thursday nights and the ability to grow to three timeslots.

One of our key considerations for the Maroondah Volleyball League is the standard of the competition. This is highlighted within our structure and bylaws by having dutv requirements and uniforms. We are proud that the association continues to support the standards by ensuring our referees are aualified and meet all the required Play by the Rules and Child Safe Policies.

A thank you to all our referees who have been with us throughout the season, the running of the competitions wouldn't be possible without them.

As one of Volleyball Victoria's larger affiliates we are currently working with them to actively promote and act as ambassadors to the sport of Volleyball and support its growth through offering programs such as Spikezone and Sporting Schools as feeders into the local competitions. We also continue to advocate for social competitions recognised separately from structured competitions such as ours which are now known as Local Leagues.

## CROYDON 36'S & MAROONDAH COBRAS VOLLEYBALL CLUB

Chris Gordon - President

In 2019 the Croydon 36's focused on the Junior Teams and entered two U17 Junior Girls teams in the Volleyball Victoria State League.

The new U17 Junior Girls team, known as the White

Team, had a good first season, developing their skills they managed just the one win, but finished off the bottom of the ladder. The established U17 Junior Girls team from 2017, known as the Red Team had a very strong season, losing just the one game and finishing  $2^{\rm nd}$  on the ladder. They went into the Grand Final playing Monash, the only undefeated team for the season. Sadly they lost to Monash in the Grand Final, but an excellent credit to the team to make it through to the grand final.

At the Volleyball Victoria State League awards dinner we were honoured with awards for:

- **Emily Pocock** U17 Most Valuable Player
- David Fuller Contributing to Referring in 2019.

We thank the efforts of all our coaches in 2019, including Junior Girls' Coaches Andrew Pocock (Reds) and Amelia Dell (Whites).

Off Court, we again acknowledge David Fuller who referees for State League each week and our part time referee Chris Gordon.

2019 Season Awards	U17 Junior Girls - Red	U17 Junior Girls – White
MVP – Winner	Emily Pocock	Maxxine Alimpoos
MVP - Runners Up	Lila Lessing	Joey Wan
Coaches Award	Lila Lessing	Joey Wan
Up & Coming Player	Kate Daly	Ava Leung

Following the end of the 2019 season, we negotiated with the Southern Cross Cobras to merge our two clubs. Following successful talks we formed the Maroondah Cobras for 2020. The year started off strong, and we selected

90 athletes for 9 teams, plus another 4 teams through the partnership with Rowville Secondary College for 13 teams to play in the 2020 season. We also increased our hosting of one round to five rounds for 2020, a great endorsement for our wonderful Maroondah Nets stadium. Sadly as Covid put a halt and eventual abandonment to the season. We hope that 2021 is kinder to us.

#### **SPIKEZONE**

Catherine Gordon - Secretary

Spikezone is halfway through our 6<sup>th</sup> consecutive year and has continued to have explosive growth. Spikezone is being held over 2 time slots and is using 5 courts.

Our coaching team remains committed and dedicated. Our 2019/2020 coaches are Amelia Dell, Sophie Martin, Tarryn Dugan, Sienna Chisholm, Tom Martin, Luke Clarke, Olivia Szalay, Alex Lei, Osha MacDonalds, Travis Johnson, Elly Kirlis, Carla Sikkens, Kalsie Timms and Wouter Slotboom. We are grateful for the assistance of those who have stepped up to help when asked. These coaches have been extremely adaptive willing to take on new directions as we grow, develop and continue to make changes to the Spikezone program.

The continued growth in this program is very encouraging for the sport of Volleyball and to Maroondah Volleyball as an association, as these young people are the players and teams of the future. Spikezone is an entry into our pathways of playing the sport of volleyball, both in our social and state league competitions, and becoming an official, learning to referee and coach.

Unfortunately COVID-19 has cancelled our Spikezone program for the moment but it will be exciting to see Spikezone return and our players come back to the court.

#### SPORTING SCHOOLS

Amelia Dell - Committee

Sporting Schools is Australia's largest school-based sports participation program to help children foster a lifelong interest in sport.

Sporting Schools brings together schools and sports to help get Aussie children active in their local communities. Sporting Schools is open to all Australian primary schools, and a targeted program for Year 7 and 8 students in secondary schools, with quality programs developed by over 30 national sporting organisations, it offers a fun and supportive environment for children and coaches. Programs are run in both mainstream and special needs schools. Volleyball has been accesses by more than 5,700 schools across Australia.

This was our 5<sup>th</sup> year where we have been actively attending schools in the local community and beyond. This year we have attended schools in Oakleigh, Mentone, Upper Plenty, Donvale, The Basin, Nunawading, Mitcham and Ringwood. Some of these programs were to assist in getting teams ready for inter-school competitions, schools cup or assist the students gain an interest in sport. Several children from the sporting schools have continued their interests in Volleyball by joining our Spikezone program at Maroondah Volleyball.

A thank you to our sporting schools' coaches and to Volleyball Victoria for their referrals and promotion of our coaches.

Unfortunately COVID-19 has stopped the Sporting Schools program with nobody externally allowed on school sites and schools going to online learning. We are looking forward to the Sporting Schools program returning but anticipate it being a slow return into schools.

#### MAROONDAH VOLLEYBALL TOURNAMENT

Chris Gordon - President

We ran our 4<sup>th</sup> Annual Tournament in September 2019. We had a massive increase in team entries with 79 teams entered into the main tournament across 10 divisions, and 9 teams into the Spikezone Tournament on the Friday night. In a very tight and action-packed weekend we ran 200 games. Running the tournament for the first time from Maroondah Nets, with The Rings as our second venue.

We continued to provide the winners and runners up with medals and prize money

I want to thank all the helpers, court managers and referees that assisted in running the tournament. Everything from medals, fixtures, bylaws, sponsorship, through to the work on the day of cleaning, result entry and awards was professionally run and a credit to our association through so much positive feedback from the teams that entered.

#### FINANCIAL REPORT

David Fuller - Treasurer

2019/2020 FY has been an outstanding year for Maroondah Volleyball, even though we lost the last 2.5 months of the Financial Year due to the covid pandemic. There has been some exciting developments during this time including the amalgamation of Croydon 36's and Southern Cross Cobras State League Teams to form a new club called Maroondah Cobras.

Notwithstanding the covid pandemic, Maroondah Volleyball achieved a record sales figure of \$171,000 for the year. Profit was also up from 11K in 2018/2019 FY to nearly 20K in 2019/2020 FY.

Some key points to make out of the financial reports are as follows;

- State League income has risen from \$8,000 in 2018/2019 to \$29,000 in 2019/2020 FY. The big increase can be attributed to 2 main factors. Firstly, due to the state league merger, state league fees received was much higher than in previous years. Secondly, there was a one off transfer of funds over from Southern Cross to Maroondah Volleyball.
- 2. Tournament Income experienced a substantial increase over the last 12 months going from \$13,000 in 18/19 to over \$26,000 this financial year. The MV tournament was a huge success in 19/20 FY with 79 teams entering. This was an increase of over 30 teams from the previous year.
- 3. Development Income increased from \$15,000 in 2018/2019 to over \$30,000 in 2019/2020. The main reason for this was a big jump in the amount of sporting school coaching sessions.
- 4. Local League income sustained a significant drop in income, falling from \$101,000 to \$77,000. This is directly a result of not being able to play from the middle of March onwards due to covid. Despite of this, there were quite a few positives that can be taken from the local league competition. There were quite a number of new teams who joined, particularly on Thursday night in Division 2 & 3.
- 5. Expenses are up over \$14,000 from the previous year. This is due to many factors which included; buying all of the new uniforms for the Maroondah Cobras state league team, and a increase in Sporting Schools coaching fees. Furthermore, Maroondah Volleyball Tournament experienced a \$12,000 increase in costs, due to increased court hire, more trophies and prizemoney handed out than in the past and finally in some innovation like having other sporting groups partake in some fun activities on the Saturday morning.
- 6. The increases in expenses were offset by around a \$11,000 drop in local league overheads due to no games in the last 2.5 months of the Financial Year

Overall 2019/2020 was a very successful year for Maroondah Volleyball. Even though 2020/2021 FY wont be anywhere near as big due to COVID, there are still many exciting things to look forward to in the rest of the year. Financially, Maroondah Volleyball are in a very good position with more than adequate cash reserves.

#### **HOW YOU CAN HELP**

As the first step, All Referees, Coaches, Parent/Friend Helpers and Committee are required to have a Working with Children's Check (WWCC) and have it registered to the association.

#### Become a Referee

You can become a referee at Maroondah Volleyball, and the association will support you through the required courses to become accredited. These courses are:

- The Level 1 course is a 4-hour online course provided by Volleyball Australia.
- The Level 2 course is a 1-day face-to-face course provided by Volleyball Victoria.
- The Ausport Introduction to Officiating Course is online and free, it is required for all referee levels.

We support referee's learning while undertaking the courses to become accredited. We also support our referees to officiate at other tournaments, state league and associations. For those who desire there are also courses available to allow you to increase your qualifications to higher levels, right up to an international level.

#### **Become a Coach**

You can become a coach at Maroondah Volleyball, and the association will support you above and beyond the minimum requirements which are:

- The Level 1 course is a 4-hour online course provided by Volleyball Australia
- The Level 2 (Talent Development) Course is a 1-day face to face course provided by Volleyball Victoria.
- The Level 3 course is a multi-day course provided by Volleyball Victoria and Volleyball Australia.
- The ASC Community Coach General Principles course is online and free, it is required for all coaching levels.

Maroondah Volleyball also runs coach development programs to further the coaches. Upon completion, you can coach within our Spikezone, Sporting Schools and State League programs. For those who desire there are also courses available to allow you to increase your qualification to a Master level.

#### **Volunteer your time**

We run, attend and support many events throughout the year such as: Maroondah Festival, Fundraising BBQs, Volleyball Victoria Events and the Maroondah Volleyball Tournament.

#### Make a donation

We are always looking for assistance to ensure that our events are run successfully and at low cost to the participants. Donations of money or goods are gratefully accepted with advertising given at the related events.
